## COMMUNITY

*Small group environments* at pc3 are where we intentionally mature in our relationship with God as we live in authentic community with others.

God never intended for us to do life alone. His design has always been for us to experience life with others through what we call the spiritual discipline of *community*.

We believe so deeply in the power of *community* that we infuse this discipline into all of what we do. It's our way of life.

Our small group ministry currently offers 3 specific ways to experience community:

- *Life Groups*
- *Life Courses*
- *LiGs (life interest groups)*

### How to get connected in one of our life groups:

- Stop by our small groups kiosk (back of the auditorium) and pick up a small group directory. Find a group that works for you and call the contact person for the next meeting time.
- Turn in a "Life Group Interest Form" (end flap of this brochure) and someone will call to help find a group that might fit you.
- Contact Nancy Luenzmann at 446-3099 or by email [nancy@mypc3.com](mailto:nancy@mypc3.com)

"Real life-change occurs within a distance of 3 feet or less."

# Small Groups at pc3

love God

love people

live it

Our Small Group Ministry exists to help people learn how to **love God**, **love others**, and to **live out their faith daily**.

## Life Groups

*Life Groups* are gatherings of 3 - 10 people who get together on a regular basis in order to grow in their love for God and others.

*Life Groups* are where you will find friendships, encouragement, and support in time of need as you grow in community with God and others.

We currently have groups for:

- **Adults** (open to adult singles, dating or married couples)
- **Married couples**
- **Men**
- **Women**
- **Support and recovery** (celebrate recovery ministry)

Check out the back of this brochure for ways to get plugged into a life group.

## Life Courses

*Life Courses* are curriculum driven, yet relationally based small group experiences.

In a *Life Course*, small groups of people gather for a short period of time (i.e. 4 - 10 weeks) to study a specific curriculum that will help them *Love God, Love People*, and *Live it* out in their lives.

We have Life Courses for people just checking out Christianity to people who've been following God for many years.

Check out our small groups kiosk on Sundays (back of the auditorium) to discover what Life Courses are available each trimester.

## LiGs (life interest groups)

*LiGs* are groups that gather around a specific life interest (like gardening, running, surfing, softball, motorcycles, ....).

People enjoy doing many different things together. So, we thought, why not gather to accomplish the fun of the activity as well as building community with God and others?

We are in the process of adding LiGs to our menu of small group options.

Stop by our small groups kiosk (main lobby) for more info on our LiGs.
